BEAN-TO-CUP BN700

RICCO  FABIO™

BEAN-TO-CUP MODEL BN700

The BN700 is a proven, high-quality, high capacity unit.

Whether you are requiring a perfect espresso, a hassle free cappuccino, or perhaps a latte, nothing is too difficult with simple push button selections.

With a coffee hopper of 1.4kg, the BN700 is capable of in excess of 250 cups from a single fill. And that isn't all.

- Granular or fresh milk
- Optional chocolate
- Counter top or floor standing
- Interchangeable with a range of payment options

The BN700 – the high-capacity choice for simplicity and reliability in offices up to 120 staff.

Espresso & Cappuccino like never before!
